Love Thy Neighbour

My neighbours are a responsible bunch – they keep their eye on my property and I keep an eye on theirs – and their gorgeous 18-year-old son Ben.

So when my neighbours, Jeff and Sue, went off on a holiday leaving Ben behind, they asked me to keep an eye on him. I had to make sure he wasn't having any wild parties and, most importantly according to Sue, that there were no girls staying the night.

Now I'm single, and have been since my husband and I split up three years ago. I've had the odd fling, but the thought of Ben being all alone in the house next door got me more turned-on than I had been in years.

After a couple of days, and nearly wearing out a couple of vibrators, I popped round to see how he was doing.

He seemed pleased to see me. I asked him if needed anything. He said I should be asking him, a woman all on my own. "I'm not very good at DIY and all that..." he trailed off, his eyes averting from mine.

Now I'm a good looking woman, and I was old enough to be Ben's mother. Seeing his bashful attempt at flirting with me made me want to pat him on the head.

"Do you want to talk about anything?" I asked him, as a prelude to coming for a drink. I know how to talk to men and this lad was no different.

It turned out he was concerned about his girlfriend, who he had met at sixth-form college. As he put it, she had been round the block and he was...

I avoided the word "virgin" knowing it would embarrass him. "It'll be your first time?" I asked.

He shrugged, and swigged on a can of beer.

"My advice is to take it slow," I said. I swallowed and took the plunge. "Come and sit over here by me."

I took his hand and playfully placed it over my pussy. "I like it to start nice and slow, like this," and moved his hand back and forth over my lips that were starting to swell up.

I put my arm around him and felt his body tremble under me. "Enjoy it!" I urged him as his hand began to gather pace rubbing over my cunt.

I reached over between his legs and sure enough he was as rock hard as only an eighteen-year-old can be.

I undid his flies, so turned-on by his heavy breathing and fluttering heart and feasted my eyes, then my mouth, on his twitching bulbous cock.

I gripped his arse cheeks and lapped at his cock, tracing the ridges of his helmet and shaft with my tongue.

The boy was a fast learner and soon had my knickers off and his fingers in my twat. I was so wet he slid up fast and I told him to hang on.

I lay on my back and popped my boobs out which he licked and bit at like a starved dog.

I lifted my legs up and he straddled me, pushing his cock down into my fuck hole for the first time.

"Take it slow," I breathed, holding his balls to prevent him from squirting too early.

A few hard thrusts though and he filled me with cum. I've heard the first time for a man is amazing, and Ben must have pumped about a gallon into me, gripping my boobs as he squeezed the last drops into me on the tenth or eleventh push.

"Now don't you feel better?" I asked him. He nodded, sweat-drenched.

Sure enough when the party happened the next night, Ben came round the next morning to tell me how far he'd got with his girlfriend.

"I want to thank you," he said, still shy but not as much.

"Well there's one way to do that," I said, pulling him in. "There's still two days till your parents get back!"

Judy, Durham.

ROXEE

OK, so we've got a Roxee and a Roxi lined up for you this month, but we didnt think it was fair to leave one or the other out, just on account of their similar names. This one is called Roxee Couture, which is a pretty classy sort of name for a Yorkshire lass, but then looking at her, she's clearly a prety classy sort of Yorkshire lass…

"I guess I have my moments! I certainly like to put a lot of work into my clothes and appearance. Still, I think I'm a bit too filthy to be described as 'classy'! After all, I'm desperate to hear how much your readers enjoy stroking their stiff pricks over my mucky pictures!"

cum to the Party!

My wife Terri and I have just been to our first ever sex party at a private club.

Terri was dressed to kill in a flimsy top with no bra, extremely short black skirt, no knickers and stockings and suspenders, finished off with knee-high boots.

Never having been to one of these parties before, we didn't know what to expect, but once we got there Terri was straight on to the dancefloor, making herself the centre of attention with her provocative dancing.

It wasn't long before a crowd gathered round her as two men had started dancing with her and touching her up.

One of the men parted her thighs and inserted two fingers into her knickerless cunt. He pulled them out soaked in her hot love juice and put them to her mouth.

The dirty bitch licked his fingers clean!

Then Terri dropped to her knees and released his hard cock from his trousers.

Urged on by the crowd, she put his cock balls-deep in her mouth and started sucking on it for all she was worth.

By now the guy behind her had his cock out and he spread Terri's soaking cunt lips apart and rammed his cock deep inside her.

She was being fucked in two holes now but it wasn't enough for my slag of a wife.

She stopped licking cock long enough to shout at the eager onlookers, "I want a cock up my arse as well!" One man came out of the crowd wearing a big grin and with an even bigger prick in his hand.

"I'll sort that out for you, you dirty bitch," he smiled and eased his cock into her. He didn't need any lubrication as her arse and thighs were soaked in cunt juice.

Her face was a mixture of pain and ecstasy as she was fucked in all three holes at once.

She looked like a cheap slut in a porn film but she was loving every minute of it and I must admit so was I.

Suddenly another man came out of the crowd with his cock out and started wanking over Terri's heaving body, rubbing her nipples at the same time.

Other men started following his lead and in no time there must have been six men crowded round the scene on the floor, all wanking away.

Suddenly the man whose cock Terri was sucking let out an unearthly moan and exploded what seemed like gallons of spunk straight into Terri's face.

She looked incredible with cum dripping down her chin and she used her tongue to lick up as much of it as she could.

Her own orgasm was building inside her and when the man fucking her cunt came inside her she came too, screaming and gushing juice all down her thighs.

This pushed the third man over the edge and he shot his load up my dirty wife's arse.

Terri rolled over on to her back, cum all over her face and cum dripping out of her cunt and arse.

The six men around her started cumming now, one by one, until Terri was completely slathered with spunk.

Two women came out of the crowd and proceeded to lick up the cum all over her.

Terri had another huge orgasm while they licked her clean.

The crowd gave her a huge round of applause and started drifting off, leaving my wife lying on the floor like a cheap, used whore.

She loved it though and so did I!

David, Midlands.

Dirty Trucker!

I am writing to tell you about a recent encounter I had when going away for the weekend recently. We were travelling down the motorway and as usual I was wearing something sexy, it was a black see through dress with nothing on underneath.

We had been travelling for a few miles and several long distance lorry drivers had seen me and either blown their horns or smiled and flashed their lights at me.

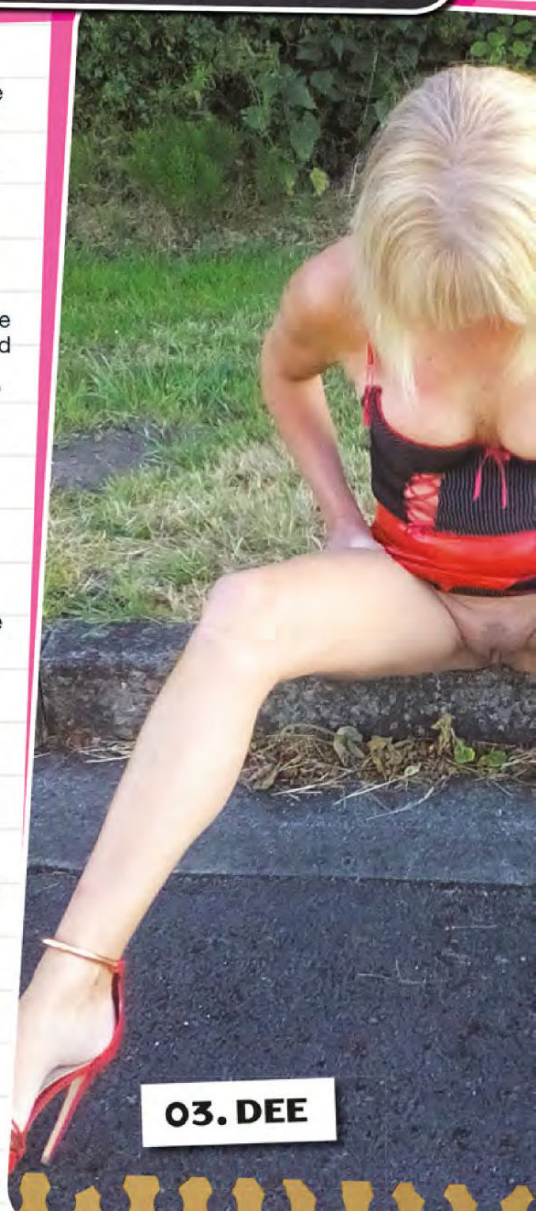
I don't think the next driver who saw me could believe he eyes as we passed him he flashed his lights and then put his foot down to catch us up. When he got alongside he put his window down and began to flick his tongue as though he was licking my cunt and then he started to motion with his hand me sucking him off, as he was quite good looking I gave him the thumbs up and nodded to him and telling him to pull in at the next service station which was about 2 miles further down the motorway.

This got me very excited and I could feel the juices in my cunt bubbling. We pulled into the service station and parked up in the lorry park. The guy in the truck pulled up alongside and opened his door. I climbed into the cab and closed the door behind me.

He said, "Hi, my name is Callum and I would love to fuck you!"

I said "I'm Dee and I would love you to, but I need to feel that tongue on my clit first."

He laid me on the bed, pushed my dress up around my waist and spread my legs apart. He started to kiss my belly and then worked his way down to my cunt. I was so excited that as soon as I felt his tongue



I came straight away, my juices gushed and I soaked his bed.

He unzipped his jeans and out popped the biggest cock I had seen in ages, I opened my mouth and started to lick the bulbous head, once it was nice and wet I began to suck him off. After a couple of minutes he said he wanted to fuck me and fuck me hard.

I opened my legs and anticipated his huge cock entering me. I was so wet and horny he slid into me easily, he fucked me hard and fast I had four orgasms before he said he was going to cum.

He shot his load into me which set me off again, and I screamed in ecstasy.

I said it was time to leave but before I did I told him that I wanted him to lick my cunt again just once more for the road. Callum kindly obliged and gave me another orgasm.

We exchanged numbers and I am sure to be calling him again in the near future.

Dee, Lancs.

Kloe

Kloe likes to think of herself as being pretty good among the balls, although her pool-playing skills were nothing to write home about…

"No, I'm rubbish at pool, but there are ball games that are much more fun – my favourite is draining them! The most I've ever managed in one session is eight (well, four guys' worth!), but I'm hoping that by appearing in Escort I'll be able to drain hundreds of balls at a time – that's far better than playing pool, don't you think?"

Yep, it probably is, so here's hoping this appearance will prove to be your big break!

Fancy a roll in the hay with Stella Cox? Given how fond of a cock or three to plunder her holes she is, of course you do!

"It's funny you should say 'or three', because that's actually my preferred number of cocks!" confesses the big-boobed beauty. "I mean yes, one is fine if you're having a shag after a romantic evening or something, and of course two's fantastic because that way I can get my cunt and arse taken care of at the same time, but with three – well then I've got something to do with my hands and mouth as well!"

Lana

As far as morning ablutions routines go, Lana's has got to be one of the most energetic we've ever seen – not to mention one of the most arousing! She's got a strict number of stretching exercises she likes to get through, just to make sure she keeps in shape, and then, especially for us, a little shave of the snizz to keep everything in shape downstairs as well!

"I used to do gymnastics, and I like to keep supple! Besides, guys love it when I can do this sort of thing when we're fucking, and I'm pretty keen on it myself!"

Look who we found hanging around the local stud farm – Vickie Powell. But she was looking a bit disappointed when we got there…

"Yeah, well so would you be if you'd come to a stud farm but all you found were a load of bloody horses! I thought there'd be dozens of muscly studs about the place who could give me what I'm after. Talk about a wasted journey!"

City girls, eh? Still, as you can see she cheered up in the end and made the most of her day in the country!

REAL WIFE SEX

Lisa's ready to try a black cock for size!

After sucking on Frank's massive cock I was more than ready to feel it inside me.

When my husband told me that it was his ultimate fantasy to see me being fucked by another man, my jaw dropped to the floor. It wasn't because I was disgusted by his admission; it was because it was something I had always wanted to try but thought he would never agree to in a million years. I was obviously very wrong.

After discussing it for several days we both decided to make this fantasy a reality and we placed an ad on a sex contacts website, asking for well-endowed men to come to our house to fuck me while my husband watched. Over the next few weeks we were inundated with offers, many of them included photos of private parts, and eventually I decided on a black guy called Frank. I had never been with a black man before so I thought I might as well make another fantasy come true at the same time.

That weekend he came round and the fun really began. As soon as I opened the front door to see him standing there my knees began to tremble. He was a very large chap and it was obvious from the bulge in his trousers that he had a big cock.

I invited him upstairs to the bedroom and told him we would get it on and then my husband would come into watch us when we were relaxed. I had dressed accordingly in black bra, knickers and knee high leather boots. As Frank got undressed I pranced around on the bed, simulating erotic positions to get him in the mood.

When he pulled down his boxer shorts to reveal his semi-boner my eyes watered. I had never seen a cock as big as his and the thought of it inside me was definitely something to look forward to!

Frank took me in his arms and we started kissing, with our hands roaming each other's bodies. He was very muscular and I got so turned on from running my hands over his firm body that by the time I got round to clasping his cock he was fully erect.

"Oh, my..." I gasped as I actually felt the size of his penis. It was massive. I took a deep breath and then lowered my mouth over the monstrosity. To call it a mouthful would be an understatement; I could hardly accommodate it in my tiny mouth but did my best to start noshing him off.

It was easier to lick his member, so that's what I did. I ran my tongue up and down the shaft, around his bulbous tip and occasionally took his big balls in my mouth.

Surprisingly, Frank was very gentle with

me. His massive hands roamed my slender frame and he spent ample time teasing my clit so that it became nice and wet before he attempted to finger me.

When my husband entered the room he hardly disturbed us as he took a seat in the corner to watch Frank and I. Now we had a captive audience I decided to really put on a show. I made much more of an effort to take Frank's length in my mouth and groaned every time he tried to thrust it deeper. I looked over at my husband and saw the eager look on his face. He really was enjoying it.

After sucking on Frank's massive cock I was more than ready to feel it inside me. I lay back on the bed, spread my legs and demanded he fuck me. He dutifully complied and pressed the tip against my moist lips. Very, very slowly he pushed it in and my mouth widened as I felt each inch sink deeper inside me. The phrase bitten off more than I could chew had never been so apt as I adjusted to the size of the prick burying itself in my cunt.

"Frank groaned as his prick oozed what seemed like gallons of spunk."

I genuinely whimpered loudly and not just for the benefit of my watching husband as Frank buried his cock to the hilt. Then after several minutes of getting used to the intrusion he began with some soft fuck strokes that rapidly became harder and harder until I was brought – much quicker than usual – to my first orgasm.

I wailed loudly and glanced at my husband who by this time was tugging himself off. He returned a satisfied smile just before Frank pulled out of me and turned me onto all fours. He then re-entered me from behind and pounded away as I looked directly at my husband. We smiled awkwardly at each other as I bit my bottom lip every time Frank delivered a thrust inside me and before long I had the pleasure of seeing my husband bring himself off by hand.

Then Frank proceeded to fuck me in about five more positions until I eventually ended up on top of him riding his big black stalk. This was by far the best position for me as I was able to control the speed and also make sure I wasn't too uncomfortable when he thrust deep.

The grand finale consisted of Frank and I climaxing in tandem. I screamed my head off as the next orgasm swept through me and Frank groaned as his prick oozed what seemed like gallons of hot white spunk into my withered pussy.

When our orgasms subsided my husband left Frank and I to relax, not without thanking our guest for such a great service.

When Frank eventually left, both my husband and I were in an ecstatic mood.

"That was fantastic," he grinned. "I have never been so turned-on in my life. I can't wait to get you upstairs and have you for myself now!"

I might have been tired from Frank's great fucking, but there was still a bit of energy left in me to make my husband really happy!

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

04. Amy
Hertfordshire

"Mmm... this ribbed glass dildo gets me going every time. It's so hard and cold, and the ribbings make my pussy walls tingle like nothing else! Look out, here I cum!"

05. Leila
Staffs

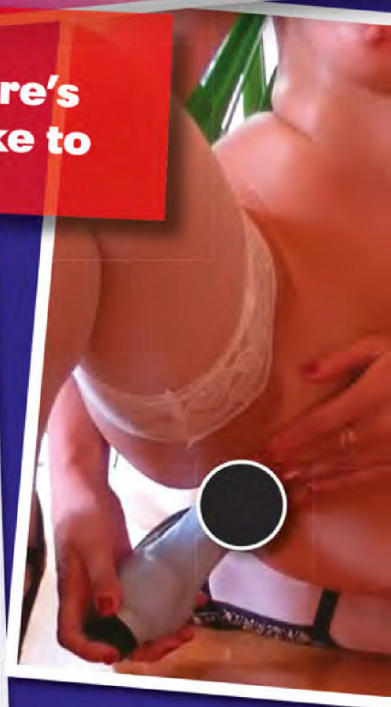
"I got this one at a sex toy party a friend of mine organised – I couldn't wait to get it home and try it out, and I was soon gushing all over the place!"

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing...

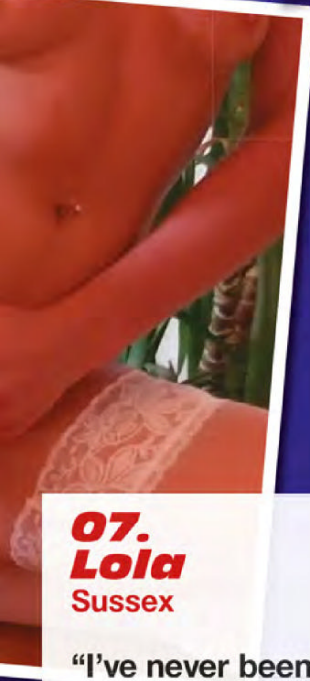
06. Beau
Birmingham

"Escort's my hubby's favourite mag, and it'll drive him wild to see a picture of me keeping my pussy nice and juiced-up for him for when he gets home from work!"



LDO

£25 PER PIC!



07. Lola
Sussex

"I've never been able to leave my cunny alone for more than a few hours at a time, so this whopper gets plenty of use!"

Ashleigh

We don't know whether her phaser's set to stun, but looking at Ashleigh in her sci-fi get-up, it's pretty clear that she is! So what's with all the space gear?

"Oh, I'm one of those rare girls who are really into sci-fi shows and films. I think it started watching Star Trek The Next Generation with my big brother when I was a kid and grew from there! I've been to a few fans' conventions – I love getting dressed up in all the clobber!"

And getting undressed out of it again, we're glad to see!
